Academic Excellence in a Catholic Community

Early Education Handbook

CATHOLIC SCHOOL STATEMENT OF PURPOSE

"From the first moment that a student sets foot in a Catholic school, he or she ought to have the impression of entering a new environment, one illumined by the light of faith and having its own unique characteristics, an environment permeated with the Gospel spirit of love and freedom."

The Religious Dimension of Education in a Catholic School, #25

Catholic schools in the Diocese of Peoria are established to assist the Bishop and Pastors in the transmission of the Faith to the young people of the diocese. We welcome non-Catholic students into our schools who wish to take advantage of the opportunities provided by Catholic education. Every school must have as its main goal to help each student develop a personal and ecclesial relationship with our Lord Jesus Christ, who is "the Way, the Truth, and the Life" (John 14:6). The principles, practices, and beliefs of the Catholic Faith must be fully integrated throughout the school's curricula, service projects, co-curricular activities, and culture.

Students in our Catholic schools are reminded of their dignity as children of God through the study of Catholic doctrine, frequent opportunities for personal and communal prayer, and active participation in the sacramental life of the Church. Together with parents, the primary educators of their children, our Catholic schools pursue academic and spiritual excellence by helping students to develop their intellectual abilities, foster wholesome friendships, practice discipleship, strengthen their daily prayer life, grow in virtue, and become leaders through serving others.

All personnel that work in our Catholic schools must have at heart the promotion of the educational mission of the Church, and live as visible role models of faith within the parish/school community. Catholic doctrinal, moral and social teaching is an integral part of each school. Therefore, all faculty, staff, administrative, and volunteer personnel must support the teachings of the Church, actively practice their faith in daily life, and be loyal to the Church's Magisterium. Our Catholic school personnel share this educational mission and its various commitments and responsibilities with parents and the local Church communities.

"It is crucial that the policies and procedures of Catholic schools reflect the primary purpose and that the Catholicity of the school and its faithfulness to the teaching authority of the Catholic Church (Magisterium) are not compromised."

Sister Mary Angela Shaughnessy, SCN, J.D. Ph.D.

MISSION STATEMENT

Marquette Academy is a Pre-K – 12 Roman Catholic learning community that strives to promote spiritual, academic, social/emotional, and physical growth. We believe in developing critical thinking skills, a lifelong love of learning, and preparing our students to enter an increasingly interconnected society. Traditions here are embraced. Dedication is the norm. Excellence is the expectation.

NON-DISCRIMINATION POLICY

Marquette Academy is in compliance with all Federal and State non-discrimination and equal opportunity laws and regulations regarding admissions and employment, as stated in Board of Education policies of the Diocese of Peoria.

(Policy D-100 and Policy C-100)

NON-DISCRIMINATION IN ADMISSIONS POLICIES

No student will be refused admission to Catholic schools on the basis of race, color, sex, national or ethnic origin. Students of religious denominations other than Catholic may be admitted according to local policy. The norm for the acceptance of non-Catholic students is developed in line with the basic mission of each school to provide a Catholic school education for the students of the parish(es). When non-Catholics or non-parishioners are accepted, care is taken to provide room for the Catholic students of the parish(es).

(Policy D – 111)

STATEMENT OF PHILOSOPHY

At Marquette Academy we educate the *whole person*. What we do is as much *formation* as it is education. Our interest is not merely in the *what* but in the *who*. Certainly we want our graduates to be successful, but we are more interested in *what kind of persons they become*. Because we are convinced that *character* is extremely important, we believe the ultimate value is not that they succeed but that they become *good* men and women in the sight of God and their fellow citizens.

Marquette Academy fosters the educational and spiritual development of children from Kindergarten through Twelfth Grade through a program emphasizing competence in basic skills throughout the core curriculum, the fine arts, physical fitness, religious education, and the Gospel value of service. Because we believe that *parents* are the *primary educators* of their children, we intend to complement, reinforce and extend what begins at home. This is a co-operative commitment based on frequent student, parent, faculty, and staff communication. We believe that every person has a personal vocation given to them by God along with the gifts and talents needed to live that vocation. Our purpose is to encourage the student to recognize the fact that he or she has a vocation and to begin to discern what that vocation may be. We further intend to help each student develop the skills (academic and otherwise) needed to live that vocation.

Marquette Academy is committed to integrating the Gospel values throughout the school. This commitment flows from Bishop Myers' pastoral letter *To Reach Full Knowledge of the Truth*. This is part of our overall commitment to and fulsome communion with the Magisterium of the Roman Catholic Church.

The philosophy of Marquette Academy is accomplished by

1. To promote the goals of Catholic education, namely
 - a. to communicate the message of the gospel
 - b. to teach the religious truths of the Catholic Church
 - c. to develop a faith community and provide worship activities
 - d. to motivate the student to service.
2. To respect the uniqueness and gifts of each teacher in supportive collaboration and service in the ministry of education.
3. To accept the students as they are, take them from where they are and challenge them to know they can do more.
4. To assist each student in feeling secure and self-confident in his/her abilities.
5. To introduce children to varied educational experiences in the basic core curriculum, as mandated by the State of Illinois and the Diocese of Peoria, and to give them meaningful responsibilities which lead to self-discipline so that the individual can achieve growth and maturity – spiritually, morally, psychologically, physically, academically and socially.
6. To encourage the student to share with his/her family the gospel values being developed in his/her life at Marquette Academy.
7. To reach out to students and parents/guardians in a spirit of warmth, welcome, understanding and compassion.

THIS WE ASK FROM OUR PARENTS

Because the education of children is the primary responsibility of the parents/guardians, it is essential that the parent/guardian:

Be a Christian example.

Assume prime responsibility for guiding and disciplining the child in moral and spiritual growth.

Teach basic prayers before entrance into school.

Pray with the child in family prayer and at Sunday liturgy.

Teach respect for authority and the rights of others.

Participate in sacramental preparation programs.

Encourage the child to accept and be friendly with all children.

Respect each child's abilities by not comparing him/her to others.

Be alert to moments when one can praise and compliment the child.

Develop open lines of communication with children and teachers that allow for mutual sharing of positive experiences or of difficulties.

Provide time, place and atmosphere in the home that allows for mutual sharing of positive experiences or of difficulties.

Share with the child the evaluation of the student's progress as indicated in reports and conferences, thereby encouraging continued success.

Support school policies by helping the child to understand the rules and by enforcing those rules.

Attend scheduled parent-teacher conferences.

Approach the teacher initially with questions and/or problems relating to students; exercise discretion in discussing these with the child or others.

Assume responsibility for the conduct of one's child(ren) when present with them at school activities.

Support the clubs and organizations through attendance at meetings and participation in activities.

Protocol when dealing with concerns: When parents/guardians wish to discuss a concern, please contact the teacher, either in writing or by telephone/voice mail, stating your concern. The teacher will address your concern and reply either in writing or by a telephone call. Most concerns will be resolved in this manner. If the concern is not resolved, you may contact the Principal or Vice-Principal.

School Visitation by Parents: "Parents", unless otherwise specified, shall not include non-custodial parents – for example, any issue in regard to no visitation rights, custody issues, etc., may visit the school. If there are limitations to visitation rights, it is the responsibility of the custodial parent to provide the school with an official copy of any court orders. Non-custodial parent visitations are not permitted at school.

Marquette Academy administration reserves the right to designate special days when parents, including non-custodial parents, grandparents, or others, may visit with the students during an open house, cafeteria luncheon, or similar events. Lunch in the cafeteria with students is not permitted except on approved open house days.

BULLYING

See Harassment/Bullying Policy

CONFIDENTIALITY

Generally, schools must have written permission from the parent/guardian before releasing any information from the student's record.

The school may disclose, without consent, "directory" type of information such as a student's name, parents/guardians name, address, telephone number, date and place of birth, awards, and dates of attendance. Parents/Guardians have the opportunity to request that the school not release this information. Contact the school's office if you prefer the "directory" type information not be released for newspaper articles, Parents Club director, etc.

CONFLICT RESOLUTION

The Diocese shall provide a process for the resolution of conflicts, disputes and disagreements which arise between any person or group in conflict with any person, group or institution exercising a function in the educational ministry of the Church in the Diocese of Peoria.

The diocesan process will become effective after local efforts as outlined by the Diocese have been exhausted.

The process at the Diocesan level is available to any member of the Diocese.

Both the local and Diocesan process are the first remedy for employment claims. (c.f. Employment Agreement).

Conflict Resolution for Local and Diocesan Process

Statement of Policy:

A review or appeal of any decision concerning policies, procedures, or other serious matters made by the competent authority of any of the schools of the Catholic Diocese of Peoria may be requested by any member of the diocese under the following conditions only:

The decision violates or is in conflict with the teachings of the Roman Catholic Church, or

The decision violates or is in conflict with an applicable diocesan policy, or

The decision violates or is in conflict with a policy or procedure of the parish, the school, or other entity that takes precedence over the decision in question, or

The decision violates or is in conflict with an applicable federal, state or local civil law.

It is to be noted that dissatisfaction with a decision is not a sufficient condition for appeal.

Statement of Process

The individual or group desiring the appeal or the review must make that request known to the competent authority whose decision they question in the form of a letter. As a matter of record, a copy of that letter is to be forwarded to the Office of the Superintendent of Schools for the Catholic Diocese of Peoria and to the local vicar by the competent authority.

This letter must clearly cover each of the following points:

The decision that is being questioned and which competent authority made it.

The grounds for the appeal or the review with specific reference to one (1) or more of the four (4) conditions listed above, and

The proposed resolution.

The governing Pastor or Pastors' Board, having received the request for appeal or review, is to respond in writing to those making the request within thirty (30) days of receiving the request. A copy of the response

letter is to be forwarded to the local vicar having jurisdiction over the particular parish/school and to the Superintendent of Schools.

In most cases, the decision of the Pastor or Pastors' Board is final. However, those who have requested the appeal or review may further appeal the decision of the governing pastor or pastors' board to the local Vicar within thirty (30) days. The local vicar has the authority to summarily dismiss the appeal or he may forward the appeal to the Vicar-General of the Catholic Diocese of Peoria and the Office of Catholic Schools. The Vicar General shall make a final decision on the appeal in such cases. If the local vicar decides to dismiss the case he must, as a matter of record, forward a copy of such decision to the Vicar General and the Office of Catholic Schools.

It is at the sole discretion of the Bishop of the Catholic Diocese of Peoria to intervene in any matter at any time and to modify, reverse, or rescind any action taken by the above-referenced officials.

DISCIPLINE

Discipline is an essential aspect of Christian development and is to be considered an aspect of moral guidance, not a form of punishment.

The purpose of discipline is to:

- provide a classroom conducive to teaching and learning
- educate students to an appreciation of the importance of developing responsibility and self-control
- increase student awareness of respect due to the individual student, peers, school

Marquette Academy expects every student to act in a Christian manner with administrative staff and other students. As a Catholic school, we challenge all students to live up to the moral ideals given to us by Jesus Christ. Any student who engages in conduct, whether inside or outside of school, which is detrimental to the reputation of the school and/or inconsistent with the mission, philosophy, or teachings of the Catholic Church may be subject to disciplinary action including suspension or expulsion.

Discipline problems are handled by each teacher who is responsible to the Administration. Mutual interest, cooperation, and frequent communication between parents/guardians and teachers is essential to the successful solution of more serious problems. The Principal, Director, or Vice-Principal is informed of serious problems. The Pastors' Board is the final recourse in all disciplinary situations and may waive any and all regulations for just cause at his discretion.

Discipline will be administered when necessary to protect students, school employees, and/or property to maintain essential order. Students will be treated in a fair and equitable manner. Discipline will be based upon careful assessment of circumstances of each case. Factors for consideration will include but not limited to:

- A. Seriousness of the offense
- B. Student's age
- C. Frequency of misconduct
- D. Student's attitude
- E. Potential effect of the misconduct on the school environment.

Parents/Guardians are an integral part of the success of Marquette Academy. In order for this disciplinary policy

to work, the administration, faculty, and staff need and depend upon the continued support of parents/guardians.

One of the major goals of our program is to help the children learn to live and grow with the ability to find joy in being part of a group. As we get to know your child and his/her classmates better, we will be able to guide them in positive social interaction – helping each learn skills of sharing, taking turns and negotiating differences. We believe parents and teachers must work together and support each other in reaching this goal, and so open communication is a very important aspect of this process. Most potential problems can be redirected and handled within the classroom setting between the teacher and individual child with love and respect for the child's feelings.

Sometimes a child may need several minutes of “thinking time” within the classroom, but apart from the conflict situation to relax and consider alternative ways to approach a problem before being welcomed back into classroom activity.

If a negative behavior continues, a child may be asked to visit the Director. Any child who is in jeopardy of physically hurting himself/herself or another classmate by his/her actions will be immediately taken to the office and a parent notified.

EMERGENCY PLANNING

1. Emergency Management Plan:

Marquette Academy School's Emergency Management Plan is available in the school office.

2. Emergency Dismissals:

In case of an emergency dismissal, children should have an alternate place to go should a parent/guardian not be at home. Parents/Guardians are asked to discuss an alternative plan with their child(ren) and to make appropriate arrangements for use of the plan.

3. Fire Drills:

Fire drills are conducted periodically during the school year as required by State Code. Students are instructed in proper evacuation procedures. Local and state officials annually visit the school to inspect fire hazards or conduct a fire drill. Students are asked to comply strictly with the rules of quiet and walking at times of emergency drills.

4. Tornado Warnings:

In the event of a tornado warning, children will be told to go to an assigned area for their class. Periodic drills are conducted for these routines. If an actual tornado warning occurs near the end of a school day, children will not be dismissed until the "all clear" signal is given. No student will be dismissed except by personal parent/guardian request.

5. Diagrams of Procedure:

Diagrams of procedures for fire, tornado and earthquake evacuations are posted in each room. These reminders are appropriate to all who may be located in the school if an event occurs.

6. Weather Dismissals:

In the event that school cannot be held due to snow, ice, extreme cold or heat, announcements will be given over the following stations: WCMY, WLPO, WALZ, WSPL, WJDK-FM & WCSJ AM. Parents/Guardians will also receive a phone message from our automated dialer system.

GOALS FOR THE SCHOOL YEAR

Harassment, as defined above, is opposed to the mission of Marquette Academy and will not be tolerated. Harassment of any person on school grounds or by any employee, while acting as a representative of this institution, is not acceptable. Any individual judged to harass another will be subject to appropriate disciplinary action.

A student who feels he/she has been harassed must notify the parent/guardian and a faculty member. The matter must also be reported to the administration. An investigation of the incident will take place. In the case of substantiated incident of harassment, the appropriate course of disciplinary action will be dictated by the particular circumstances of the situation. Offensive/lewd behavior, written or verbal, will not be tolerated in the school.

Parents/Guardians are notified by note if a child has been exposed to head lice or any other contagious contact.

Policy for head lice:

Parents/Guardians will be notified immediately if a child is suspected of having head lice. The child will be

sent home after the parents/guardians are notified. Parents/Guardians will be instructed to begin treatment or contact their physician.

A child found to be infested with head lice may be re-admitted to school upon presentation of proof of appropriate treatment (i.e., a note from physician, copy of prescription, or proof of purchase of an over-the-counter product).

The date is recorded when a child is sent home and a second inspection is made after ten days or earlier if deemed necessary.

There will be periodic inspections of the entire school by the Health Department and/or the Office personnel and/or any trained designee.

INSPECTION POLICY

Individuals entering Marquette Academy, whether they are students, employees, or guests, are expected to conduct themselves with established norms for personal conduct. In order to provide students and employees with a safe and healthful environment, the administration reserves the right, in its discretion, to conduct inspections of school property and the property of students and visitors existing on the school's premises.

In the absence of a court order to the contrary, we will provide the non-custodial parent with access to the academic records and to other school related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

VOLUNTEERS

Marquette Academy recognizes the value of volunteers in the overall function of the school and encourages their involvement. These volunteers enrich educational experiences. We welcome talented individuals with skills, knowledge, services and time to share with students and staff.

Volunteers may be parents/guardians, grandparents, high school and college students, or any other interested persons. They play a vital role in the total education program of the school as classroom assistants, teacher aides, office help, chaperones and supervisors. All volunteers will receive orientation that will inform them of their expected duties, school rules, etc.

All volunteers who engage in activities with the students of Marquette Academy are also requested to comply with the philosophy and policies of the school. State and DCFS background checks are necessary. (*Forms are available in the school office*) All volunteers must also attend an Adult Safe Environment Program.
